I hereby authorize Dynamic Concepts, Inc. (DYNAMIC) to charge the credit card identified below for purchases, as well as any monthly recurring billing(s) for Internet or other services ordered by me or my designated agent. I further understand and agree that I am financially responsible for such charges until I revoke this authorization, or cancel such recurring services, in writing. Upon revocation of this authorization, or cancellation of recurring services, I agree to pay for services already provided, as well as those being provided in the month of the cancellation or revocation. No pro-rated credits will be issued for the month of cancellation. In order to avoid charges for the following month, cancellations must reach DYNAMIC by the first business day on or after the 25th of the month. Cancelled services will be terminated on the last business day of the month.

I understand that any software that I may purchase, which is then opened by me or my designated agent(s), is non-returnable and non-refundable. If the hardware or software purchased is defective, returns and/or exchanges will be handled in accordance with the return and/or exchange policies of the individual manufacturers and may require RMAs before any action is taken on the part of the customer. The definition of "defect" shall be at the discretion of the manufacturer.
